BUSINESS ASSOCIATE RELATIONSHIP REPORT

FOR
MARTHA AND SNOOP

Introduction and Instructions

System 52

Welcome to your report

If you are new to the Love Cards world, the following instructions may be useful!

The information in this report will basically tell you two things:

1. First it will tell you a little about yourself and your partner based upon the cards associated with your birthdays, including some traits that affect your personal relationships.
2. Then it will tell you how you and your partner connect and what these connections mean in detail.

In the Love Cards system, relationship characteristics are defined by 'connections' that are made between your cards and the cards of your partner. Each connection has a distinct quality. And in this report it is important to know that these connections are listed in the order of their strength and importance. The first three connections you find will be the most important and comprise more than half of what you experience in this relationship. Each successive connection will be a little less significant until the last connection which will be the least significant. Keep this in mind as you read the interpretations for these connections.

One interesting thing to note with your report is to count how many connections you share that come from the Spiritual Spread and how many from the Life Spread. Spiritual Spread connections are past-life connections. If a particular relationship has 3 or more of these, you can bet this relationship stems from past lives together. If you have less than 2 Spiritual Spread connections, you will know that this is a new relationship, with many possibilities. Both are great but they have different expressions and qualities.

Finally, this report may contain a section showing compatibility ratings, called Indexes, for this relationship, and possibly a page on each of your marriage-ability factors.

All about Martha's Birth Card

The Ten of Diamonds Person

The Blessed Card

This card sits in the very center of the Grand Spread of cards, protected on all sides by Jupiter's blessings. It is THE card of material opulence though few of them actually achieve this reality. However, all of them are protected financially and will always have a certain amount of good luck. To achieve their highest potential, they need to be involved in a business, preferably their own. They have the know how to manage and run a business of any size. Many of them inherit or marry into wealth.

With so many blessings, you might expect them to be generous souls, but that is not always the case. Many of them simply direct these blessings to the acquisition of more money and some of them even become ruthless in this regard. Others, however, pay heed to their Queen of Clubs Karma Card, the card of intuition and service through knowledge, and devote their talents and resources to helping the world. All tens are in danger of becoming overly fixated on 'accumulation' of things related to their suit. For the Ten of Diamonds, this would manifest as a money fixation. Some Ten of Diamonds can be very selfish.

With their creativity and intelligence, they are always successful in whatever they undertake. Usually this power is directed towards business and gain and there is no size of business or financial enterprise that they cannot handle. If they develop their spiritual awareness, their later years will be filled with expansion of their mind and soul instead of doubt and indecision. Many find an artistic avenue of expression in their later years, which brings many rewards.

Some of the Ten of Diamond Issues Concerning Relationships

Ten of Diamonds have a strong desire for love and relationships and also some karma from past lives that must be discharged through one or more difficult divorces or separations. They bring into this life some karma of having been the one who left another unfairly and unlovingly. In this life, they are likely to receive the same treatment from another, often the same person they were with before.

They want love and are usually the one who initiates new relationships. It is their own emotionally restless nature that must be dealt with before they can have a successful marriage. They often find themselves in situations where they must sacrifice their own need for affection for higher reasons or to help others in need. They are learning to love themselves and the child within. Finding that relationship within brings them more fortune in other relationships as well.

The female Ten of Diamonds should not let relationships come before her work and career, except in few cases where there is great compatibility. There always seems to be great burdens associated with romance and marriage.

All about Snoop's Birth Card

The Two of Clubs Person

The Card of Conversation

Among the people of this card you will note a wide variety. Many are fearful of everything, especially being alone, and will do everything in their power to make sure they are surrounded by people who admire them. All are sociable and enjoy good stimulating conversations. Then there are those who are reclusive and appear to need no one. In truth they are just as afraid and always have one special person that they attach themselves to. The Ace of Spades displacement can mean an inner fear of death or change and this explains much of their behavior.

However, these people are well endowed with many natural abilities and gifts. They can be exceptional in business and with people, preferring to work in partnership rather than alone. They actually have one of the more fortunate life paths. There is much protection surrounding this card and they all have much to be grateful for. If they simply recognize the abundance in their lives, they will help to dispel their underlying fear that can do so much damage.

The Two of Clubs loves to talk and share ideas. They have an incredible mind that can make the finest distinctions. They are witty and charming, unless they are caught up in their fear which makes them irritable and argumentative.

Much of their life is fated and part of their challenge is to simply accept things as they are, especially themselves and their closest relationships.

Some of the Two of Clubs Issues Concerning Relationships

Some of the most beautiful people are Two of Clubs and their love relationships are more a reflection of their state of inner wellness than of any other factor. If their inherent fear has not been recognized and confronted, they will often settle for anyone, just to not be alone. This can lead to co-dependent and other undesirable relationships.

They have more than the usual share of idealism in love and romance. This can make for some very romantic times but also some very painful disappointments when these ideals conflict with reality. However, with awareness they can make good choices in relationships and separate their own fears from their self-worth and lead a happier life.

Your First Connection (25% of total)

Snoop is the Mars Card to Martha
Location: Spiritual Spread

This is one of those 'instant recognition' connections where the parties sense that they know each other the first time they meet. This particular connection is that of the planet Mars, the God of lust and war. The undertone of this connection will be action, energy, competition, passion and aggressiveness. Martian energy is powerful and must be handled with awareness.

Martha's Birth Card

In particular, Snoop is a strong stimulant to Martha. He will either excite her into action of some sort, make her angry, or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Martha will have a great responsibility to channel this energy into positive activities. Some activities that are good for the positive expression of Martian energy are hiking, jogging, riding bicycles, or working out. Working together in a business is one of the best activities of all. But because of the strength of Mars energy, there are certain things that both Snoop and Martha should be aware of.

Mars energy can easily turn into competition, anger, blame, resentment and in extreme cases, abuse. This occurs when there is no positive outlet for the energy of this connection. By having common goals and lots of things to do, as part of the relationship, this tendency will be lessened greatly. It would always be better for these two if they are not directly competing with each other in work, or if that competition is of a healthy kind, such as a race to see who can make the most sales.

Martha, in this relationship, bears the greater responsibility for the success of this partnership. She is the one most affected by the Mars energy, the one who is receiving it. Thus, Martha will be the first to get angry or the first to misconstrue the actions or words of Snoop as being harsh or competitive in nature. If Martha can be aware of this dynamic, she can stop any angry reactions and thus avoid conflict. Martha may not even be aware that he is doing something that is irritating to Snoop. This is usually the case. This Martian energy is directional in this connection and the burden is on Martha. If other connections imply the opposite then there will be an equal burden of responsibility for angry outbursts or hostility.

Snoop's Birth Card

In conclusion, this relationship provides a powerful stimulus for both partners, even though Martha may be affected a little more since she is the one receiving most of the Mars energy. If Snoop and Martha take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Snoop: I am aware of how much I stimulate Martha and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Martha: I accept Snoop as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

Martha is the Jupiter Card to Snoop
Location: Spiritual Spread

This connection engenders both a familiarity and shared philosophies between Martha and Snoop. They will find that they have some important things in common and that being together will have a certain ease that is hard to define. They will have similar views on what is important in life. And there will be a generosity that flows between them that further enhances their compatibility.

Martha's Birth Card

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Snoop is the one who receives most of these benefits because he is on the receiving end of this connection. Martha also benefits because giving is, in reality, another form of receiving. Martha and Snoop have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow to be the most important trait of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives. Therefore, this is a very good connection for any sort of business relationship.

In particular it is up to Snoop to stimulate this potential by practicing the art of appreciation for the many good things he shares with Martha. Appreciation is one of the magical keys to prosperity, one that could possibly unlock the door to his most cherished desires. When the natural sharing that Martha does is complimented by Snoop's heartfelt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many people who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. It is a great connection for business partners. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, Martha and Snoop have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.

Snoop's Birth Card

Affirmation for Martha: I am glad to be a benefit in Snoop's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Snoop must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Snoop: I am grateful for the presence of Martha in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply the benefits and enjoy this connection.

Your Third Connection (15% of total)

Martha is the Moon Card to Snoop
Location: Spiritual Spread

Martha's Birth Card

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to enhancing compatibility and creating a great association. When someone is our Moon card, we feel very close and comfortable with them. Both parties enjoy communications with each other on a high level. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense a familiarity that goes beyond normal descriptions. It is as though we knew this person, even before we met. People who have this connection often experience instant recognition of each other. This connection provides a foundation upon which any sort of successful relationship or partnership can be developed. It can create a working situation where things go so smoothly and easily that it seems amazing.

However, this connection has some interesting aspects, ones that must be understood if Martha and Snoop are to make the best of it. It also implies specific relationship roles for both of them, roles that cannot be changed unless there is another Moon connection between them that is the opposite direction of this one.

In this relationship, Martha is a Moon Card influence to Snoop. Her presence in Snoop's life is a supportive, helpful influence. She provides Snoop with helpful support and a sense of foundation, stability and settled-ness. Martha also will appreciate Snoop's ideas and direction. Snoop brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for their work together and for Martha's life in some way. Whether they are aware of it or not, Snoop is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

Snoop's PR Card

Keep in mind however, that this connection only supports partners or friends and associates who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended or had a lot of difficulty because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Martha is not willing to be the helpful, supportive, and encouraging person in this relationship, or if she is unwilling to take the back seat to Snoop in key situations, this relationship may not last or will experience a lot of friction. Likewise, if Snoop is unwilling to provide leadership, perhaps because he doesn't have any clear direction for his life, then the same result is likely. Keep these important roles in mind because they will be the overall determination of whether or not this relationship is a success. Sometimes the person who is the Sun person may not be the leader type. Other times the person who is the Moon card is the leader type of personality. In either of these cases, it might be difficult for the two to work together harmoniously.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When Martha and Snoop are harmonizing themselves with these roles, much success and satisfaction is the result. This is an association that could that could bring both of them many rewards.

Affirmation for Martha: I am very grateful for Snoop's presence in my life. He is a breath of fresh air that is always bringing me new and wonderful ideas, suggestions and directions for enhancing our work experience. I appreciate our great communication and enjoy providing support and help to Snoop. The exchange of energy between us is very satisfying.

Affirmation for Snoop: I am grateful for the presence of Martha in my life. I feel that I have found a perfect companion or co-worker that supports me in the directions that I feel are important in my work and life. I appreciate all the helpful things that she does for me and our easy and natural communications. I enjoy sharing my perspectives and providing direction for our association.

Your Fourth Connection (10% of total)

Martha is the Cosmic Lesson Card to Snoop
Location: Spiritual Spread

Martha has been, on some level, drawn into Snoop's life in order to play an important, but subtle role. This role will help Snoop find himself and his life's work if he is looking for these answers. Somehow, Martha will be able to help Snoop realize his highest potential. At the least, Martha's presence in his life will act as a sign to point him in the right direction, a direction where Snoop may fulfill his obligation to the world and make a valuable contribution through his efforts.

Martha's
Karma Card 1

On a personal level, this connection has little, if any, influence. It may not affect the way they feel about each other unless the subject of Snoop's most important issues revolve around his purpose and career. In that case, Martha may find herself reminding Snoop of how he can improve himself, or of what things he can do to get more success in the areas to which he is striving. If this happens, Snoop may react with gratitude or with resistance, and this could effect how they get along with each other. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Snoop is aware of his own personal need to accomplish some important goal in life, he will find Martha to be a helpful influence in this regard. She may even be doing the kind of work that Snoop is wanting to do, or is destined to do. In fact, they may be able to share this work. In other cases, Snoop may not be career-minded at all and Martha merely serves to remind him of characteristics that will help him fulfill whatever roles he is playing in his life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Martha or Snoop to be conscious of it. However, Martha's presence is a lesson to Snoop on some level and the more he is aware of this, and then acts upon what he is receiving from her, the sooner Snoop will elevate himself in respect to whatever roles he is playing in his life.

Snoop's Birth
Card

Affirmation for Martha: My awareness of how I am a reminder to Snoop of how he can make a valuable contribution in this world reminds me that I am an important influence in his life. I wish only the best for him and hope that my influence is a positive one in his life.

Affirmation for Snoop: I am grateful for the presence of Martha in my life. She reminds me of what I can do and become in a way that inspires me to achieve my highest potential.

Your Fifth Connection (8% of total)

Snoop and Martha are Mars to each other
Location: Life Spread

Martha's Birth Card

This connection is probably one of, if not the most, energetic connection that any two people can have. Mars produces energy, passion and irritation. It stirs up a lot of energy that must be harnessed and put to use, or it will tend to be destructive and conflictive. In this association Snoop and Martha both inspire Mars energy in each other. This serves to double and even triple the Mars energy between them. Therefore, these two will be having to deal with both the positive and negative effects of this Mars connection for the duration of their time together. With conscious awareness of what is going on, they can harness this powerful connection to accomplish many things and develop an active and enjoyable association together.

Mars connections can be very good for all physical activities, and for working together. Mars is a passionate planet, and inspires us to do things passionately. Also, this connection is one of the very best for people who work together. Working out and working together are both ways in which this powerful Martian energy can be expressed in positive ways. Many successful working relationships have at least one Mars connection between them. In the case of Snoop and Martha, it is like having two or three connections in just this one.

To keep this association on the positive side, it would be better if Snoop and Martha are working together to pursue a mutually sought after goal. Otherwise, the negative expressions of Mars energy will predominate. These include fighting, blame, competition, hostility, all forms of abuse, and lots of arguments. Just think of Mars as a magic genie who will grant all of your wishes with one condition - you must keep him busy. If you don't give the Mars genie something to do, then he will get mad at you and create problems.

Snoop's Karma Card 1

Snoop and Martha will have to take great care in this association not to allow the negative aspects of Mars to captivate too much of their attention. This much Mars energy can easily have them getting angry with each other on a frequent basis. Some people who share Mars connections are often drawn together because they have habitual patterns of blame and anger with which they approach many of their closest associations. Mars connections give them the opportunity to work on these patterns, which can be holding them back in many areas of their life. Then again, anger towards others is usually the result of inner anger against ourselves. So, in essence, a Mars relationship acts as a catalyst to help us learn to accept ourselves and free up these antagonistic energies. But sometimes it takes years before we begin to realize that the problem is within us, and not in our partner. Getting beyond the stage of blame to the stage of self-reflection is an important step that anyone with anger issues must make. Because of this strong Mars connection, there is a good chance that both Snoop and Martha have some anger issues to work on.

Keeping all of this in mind, Snoop and Martha can use this powerful Martian force to accomplish many good things. If they are both career-minded, this energy can inspire them into productivity and accomplishment. Even if they do not share career ambitions, this energy can help them get more physically active and healthy. There are many wonderful uses for this Martian force and Snoop and Martha can have a lot of fun discovering them.

Affirmation for Snoop: I am aware of how much I stimulate Martha and understand her feelings because I can see how Martha stimulates, or irritates, me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Martha: I accept Snoop as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. This association represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

Snoop is the Jupiter Card to Martha
Location: Life Spread

Martha's
Karma Card 1

This is a wonderful connection that is often found among the cards of happy and productive business relationships. It is probably one of the best two people in business can have. But it helps all relationships. One of the main benefits of it is financial. Jupiter is known among astrologers as the 'great benefic'. It is the only planet in our solar system that gives off more electromagnetic energy than it receives from the Sun. It's location, in our natal astrological chart, always points to some area of our life where things come easily to us and where we have many things to be thankful for. In this relationship, Martha has much to be thankful for, thanks to Snoop, because he is a Jupiter influence in Martha's life.

The benefits of this connection may take many forms but they are often of the financial nature. For this reason, this is an excellent connection for business partners. It would be especially good if there is another connection between them where Martha is Jupiter to Snoop, or if there exists a mutual Jupiter connection. But even one is a good auger of business success, unless other connections contradict it. Even though as a pair Snoop and Martha may not be wealthy, Snoop definitely enjoys giving things, including money, to Martha. This natural inclination to give is one of the signs of prosperity consciousness. Therefore, even if great prosperity does not exist between them now, it could lead to that in the future. This tendency towards financial success will be increased if Martha expresses and feels appreciation for Snoop. Appreciation is one of the most important keys in obtaining prosperity. If Martha will allow the appreciation engendered by this connection to grow, and if she expresses this verbally, this relationship could bloom into a very fulfilling business relationship.

On other levels the Jupiter connection can bring blessings of many forms. There could be a sharing of philosophies and spiritual ideals. Snoop may provide beneficial guidance and inspiration to Martha. Essentially he will have a natural desire to give whatever he has that Martha values. If Martha wants to see the blessings in this relationship grow, just remember to feel and express the appreciation, as was mentioned earlier.

Snoop's
Karma Card 1

This connection increases the overall compatibility between Snoop and Martha regardless of what their exact roles are together. The fact that they have this connection points to some good karma for both of them, something that they earned by doing good deeds for others in the past. Affirmation for Snoop: I am glad to be a benefit in Martha's life and hope that I can give her all that I have to give. Your Ninth Connection (3% of total)

Snoop and Martha are Mars to each other
Location: Spiritual Spread

This powerful Mars connection will cause a lot of energy to be exchanged between Snoop and Martha. Because it is Mars energy, the reasons and ways that it can be expressed can vary, but they are nearly always dramatic. Mars can either be expressed as passion and productive activity, or as anger and hostility. Either one or both of these sides may be expressed in this relationship between Snoop and Martha and it is largely up to them as to how this connection will affect them.

Martha's
Karma Card 2

There is something familiar that Snoop and Martha feel about each other. It is a stimulating feeling. If both are single and available, this connection could create a strong sexual attraction that could lead to an affair or relationship. If not, these two will have to keep busy together to find a suitable outlet for this energy. This is a great connection, for example, for working situations. It is ideal for working partnerships of all kinds. However, care must be taken to not let this become too competitive. Putting Snoop and Martha directly at each other in a competitive sense would probably cause more harm than good as this connection increases the likelihood that the two would become overly hostile towards each other. It would be far better for these two to work on a project together where they share a common goal or a common problem or enemy.

Regardless of how Snoop and Martha are associated, they can consciously transform and use this energy to their advantage if they are willing. Mars relationships represent a great potential that must be consciously taken advantage of. To do this requires two things. First they must consciously engage themselves into positive activities together. Physical activity together will funnel off much of the negative part of Mars. The more shared physical exertion the better. Next, they both must be willing to work on their anger and blame, if that comes up. Beneath all anger is a fear of one kind or another. If they examine their feelings when they become angry with each other, they will be able to find the fear that lies beneath it. In the event of excess hostility, some form of self-awareness will be key to dismantling the problems. Mars in its worst aspect is blame and righteous anger and retribution. To avoid that, Snoop and Martha must be as self-conscious and honest as possible. Communication skills of an interpersonal nature are invaluable.

Snoop's Birth
Card

Affirmation for Snoop: I am aware of how much I stimulate Martha and understand her feelings because I can see how Martha affects me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Martha: I accept Snoop as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. This association represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

Martha is the Cosmic Lesson Card to Snoop
Location: Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. But it can be important in business relationships.
